The middle line is 'SCIENTIFIC' in a dark blue, bold, sans-serif font, with a gold DNA double helix icon to its left. Our picture catalog was old and sometimes wrong so we threw it out. Some part numbers changed, because we removed some items, and added some new items too.

We are working on an up-to-date and accurate catalog. Once we have a new edited copy we will provide it to you via email, and have it posted on the DSS Stockroom website.

In the meantime we have an up to date excel list of our inventory. It is linked below and on our website too. Please find it attached to this message. I hope this helps in the meantime, please let us know if this is not a good enough measure to help you.

Thank you,

The Stockroom Team
